June 16, 2020

Hello St. Clair TEC families,

We hope this letter finds you well during this challenging time. It is unfortunate the 2019-20 school year has come to an end without the opportunity to celebrate its conclusion in person. We are so proud of all of our students. I know that not being able to have the TEC Certification Ceremony is a disappointment to everyone, especially our seniors.

With so many unknowns out there, here are a few things we do know. First, students are being given the opportunity to pick up any personal belongings from the TEC building this week. If your son or daughter has not yet made arrangements with their instructor to do so, please contact us through the information provided below. Second, we will be mailing TEC Certifications (senior students only) and any TEC Awards your student may have received directly to your homes in July. Last, but definitely not least, we know we have amazing students and we hope you will enjoy this TEC Certification Video as a way to commemorate their great times at St. Clair TEC: <https://www.youtube.com/watch?v=uF-CuEiz-ww&feature=youtu.be>

As always, please do not hesitate to contact us with any questions. We look forward to seeing our returning students next year and the great things our completers will do in their promising futures. We wish you all a happy and healthy summer!

Sincerely,

A handwritten signature in black ink that reads "Pat Yanik".

Pat Yanik
